

A Bill of Rights for Volunteers

From the Berkshire Medical Center website
Pittsfield, MA

Every Volunteer has:

The right to be treated like a co-worker

Not just "free help".
Not as a "prima donna".

The right to a suitable assignment

With consideration for personal preference,
temperament, life experience, education and
employment background.

The right to know as much about the organization as possible

It's policies
It's people
It's programs

The right to be given the proper training for the job

Thoughtfully planned and effectively presented
